

Choosing the Right SAN Solution can be

A Piece of Cake

But don't take our word for it – see for yourself!

Join J4 Systems and Dell® for an informative luncheon where we will demo and show you the features and benefits of the Dell EqualLogic™ PS Series storage solution.

Attend and learn about these essential capabilities:

- Ease of use and management – from box to operating SAN in minimal time
- Automatic RAID configuration and load balancing
- Snapshots for online backups
- Auto-replication for rapid disaster recovery
- Full redundancy, designed for 99.999% reliability
- Linear scaling to expand capacity and performance without affecting data availability
- Boot from SAN, multi-path I/O, volume cloning

Don't wait, seating is limited. This event is complimentary and by registration only. Register today to reserve your seat!
